

PRIZE DONATION REQUEST FORM

SOUTHSIDE RACING

Southside Racing is proud to support a range of local schools, kindergartens, sporting and community groups with their fundraising efforts, through the provision of prizes which can be raffled or auctioned. These prizes are typically dining vouchers which can be redeemed at the Cardinia Club or Club Officer or general admission tickets for race meetings at Southside Racing or Cardinia Club Boardroom Hire.

Please complete this form and return it to the Club at least 30 days prior to your event/raffle to allow time for approval and processing of applications. Applications are reviewed each month with all applicants advised of their outcome.

Requests for funding above \$100 are encouraged to apply for a Southside Racing Minor or Major Community Grant.

For more information, including eligibility, visit the Community Grants page on our website at <https://country.racing.com/southside-racing/community/community-grants>, or contact one of our team on **1300 STHSIDE**.

Please return your completed form via:
